Swift FX—comfort all the way around

Comfort makes all the difference to the success of your sleep therapy. And it starts with your mask.

The Swift FX brings new meaning to comfortable therapy with a flexible, super-soft fit. Its soft, fluid form conforms to your facial contours and follows your every move.

From the cushioning nasal pillows to the contouring headgear, the Swift FX surrounds you with softness for a peaceful night's sleep.

*"Unobtrusive, light
... I forget it is there!"*

*"The best mask I have ever used
... very soft on my face!"*

NASAL PILLOWS SYSTEM

Less mask. More you.

The Centers for Medicare and Medicaid Services (CMS) coverage guidelines allow for regular replacement of masks and accessory parts, like air filters or tubing. Replacing your mask and accessories as appropriate helps ensure you are receiving the best, most comfortable therapy possible.

Soft and simple, light and gentle

- **Comfortably soft**—soft all around, with the added advantage of soft wraps, the Swift FX enhances your comfort for a relaxing therapy experience.
- **Feel the lightness**—the innovative headgear and light, flexible tube make the mask very light on your face.
- **Instantly appealing**—from the moment you put it on you will know that the Swift FX is really simple, making your therapy easier for you.

Easy wear and care

- **Easy to fit and wear**—flexible headgear and self-guiding nasal pillows are easy and intuitive to adjust for your perfect fit.
- **Easy to use**—straightforward assembly and minimal parts allow quick and convenient cleaning.
- **Fits into your life**—unobtrusive design and quiet performance fit well into your daily life.

Stable seal, even when you move

- **More sleeping positions**—flexible tubing and the soft headgear and nasal pillows allow for a range of natural sleeping positions.
- **Uninterrupted therapy**—the Swift FX stays in place securely throughout the night, even when you move.
- **More freedom**—the smooth swivel and light, flexible tube rotate with a fluid movement, adding to your freedom of movement.
